**CITATION**

A recently submitted complaint has revealed actions taken by you which violate sections of the law regulating the practice of physical therapy.

Based on the allegations received, and review of records conducted by the Physical Therapy Board's expert consultant, it was determined that on or about July 26, 2002 you were observed practicing autonomously at Burbank Center for Therapy in that you provided services to patients without the proper supervision of a licensed physical therapist. It was further determined that you identified to the Department of Health Service representative that you were functioning in the capacity of a physical therapist license applicant; however, the Board had not given the authorization as of that date.

A Citation is hereby issued to you in accordance with Section 125.9 of the Business and Professions Code for the violations described below.
